# Investing in Poland 2015

2015-06-24 14:02:36

Investing in Poland 2015 provides crucial, up-to-date information about the investment climate in the country, including in-depth analysis, macroeconomic data, budget forecasts and contact information to all of the respective investors' assistance centres for the country's 16 voivodships and all of its largest cities.

Investing in Poland 2015 provides crucial, up-to-date information about the investment climate in the country, including in-depth analysis, macroeconomic data, budget forecasts and contact information to all of the respective investors' assistance centers for the country's 16 voivodships and all of its largest cities. It also provides information on special economic zones (specialty sectors, land available, contact information), industrial and technology parks, business-support organizations, and companies specializing in helping businesses acquire EU-funds.
