AGRA FLAGPOLES AND FLAGS

2017-10-16 11:44:54

We are the biggest flagpole manufacturer in Poland. You can find our flagpoles both nationwide and all across Europe. While constantly evolving, our company draws on the latest technologies, which, combined with good work organization and the professionalism of our team, enables us to offer you a unique quality with fast turnarounds and attractive pricing.

The highest quality of products and services, reliability, punctuality and respect for every customer have been the principles behind our activities for more than 20 years. Due to our commitment to these principles, we can boast a list of regular satisfied customers, numerous recommendations of our company and increasingly more diverse offerings. We also stand out with our professional and dedicated team, who make sure that every assignment is done so as to fully meet your expectations.

BIGGEST FLAGPOLE MANUFACTURER IN POLAND

We are the biggest flagpole manufacturer in Poland. You can find our flagpoles both nationwide and all across Europe. While constantly evolving, our company draws on the latest technologies, which, combined with good work organization and the professionalism of our team, enables us to offer you a unique quality with fast turnarounds and attractive pricing.

Our flagpoles are reliable, durable, aesthetically pleasing and available at competitive prices!

WE SERVE CUSTOMERS FROM POLAND AND EUROPE

Flagpoles are a highly valued marketing and advertising solution:

- they display the company's logo and colours
- they boost prestige and build positive image
- they increase recognisability
- they allow large-format presentations
- they match the surroundings in an aesthetically pleasing and natural way
- they make the company's or organisation's location more visible
- they are a relatively cheap and virtually all-year-round method of advertising

TOP QUALITY FLAGPOLES WITH A TEN-YEAR WARRANTY

Our flagpoles are manufactured from glass fiber and high-grade aluminum. All our flagpoles come with full technical documentation provided by the Building Research Institute (BRI Technical Recommendation: RT ITB-1066/2013). We warrant our flagpoles for ten years. We have our own road fleet and experienced staff. Our company's longevity is a guarantee of the reliability and integrity of our work. We also offer routine checks, full support, maintenance, cleaning and spare parts to extend the life of your flagpoles while keeping their original pleasing appearance.

WE GUARANTEE QUALITY

Our aim is to manufacture and supply high-end products that meet customer expectations. We guarantee the highest levels of care at each stage of works involving: - manufacture and supply of aluminium and plastic flagpoles, - installation, routine inspection, maintenance and cleaning of flagpoles, - manufacture and supply of flags. In 2016 we have implemented and applies an Integrated System of Quality Management and Environmental Management conformable with the requirements of the standards PN-EN ISO 9001:2009 and PN-EN ISO 14001:2005 with the following scope: Design and manufacture of fiberglass and aluminium flagpoles, as well as manufacture of flags - CERTIFICATE No. 535/03/2016/ZSZ/C.

WE MANUFACTURE OUR FLAGPOLES FROM GLASS FIBRE, ALUMINIUM AND ECO ALUMINIUM
